Gary Cerantola, P.Eng., MBA. ACCUD

Gary has a proven history of working with Business Owners, Managers and individuals to help them accomplish more, grow revenue, improve profits and boost productivity. Gary is an experienced business leader, business executive, quality practitioner, group facilitator, educator, keynote presenter and one on one coach. He has a detailed working knowledge of the leadership and communication skills which will influence people to follow your lead willingly. Whether it's leading a team, managing difficult behaviour, selling a product/service, or having your best year ever, Gary provides unique and practical insights into how to improve your results. Gary has helped many business owners in the Collingwood area to build their business plans and teaches business courses for Georgian College having also taught for Phoenix and Meritus Universities.

Here's What People have been saying:

"A different way of altering my reality or a different way to consider how I can control my reality"

~ Stefanie McManus

"It was a reinforcement of my beliefs and actions." Bob Milthorpe

I learned taking the smaller steps to reach your goal is better than to just leap. Everything you discussed tonight made so much sense." Laura

"Gary explained in great detail, the opportunity of taking charge of your life and gaining great personal success. Great Job – Thank You." David Cubitt, President Wasaga Beach Brewing Company

"I really enjoyed and absorbed all of the material. I was really struck with the failure cycle and feel I am on a much better state of mind to tackle it when it comes up." Ross Burley

"Point made gave me a new perspective of looking at goals and how to achieve them. Starts with emotions and continues through reality." Harold Zukerman

"I like the term "Preferred Reality Conditioning". Janet Auty Carlisle
